#### **Albemarle County Rotary Club Foundation Scholarship Fund**

Each year, the Foundation awards five scholarships to deserving students in Albemarle County to continue their education. Selection of one student from each of the below participating schools, based on need, is made by the administration of that school:

- ***Piedmont Virginia Community College***
- ***Albemarle High School***
- ***Western Albemarle High School***
- ***Monticello High School***
- ***CATEC***

## **2019 MAJOR BENEFICIARY**

### **computers4kids**

C4K equips local youth (6-12 grade) from low-income households with 21st-century STEM (science, technology, engineering, and math) skills to be competitive in college and careers. We provide 1:1 and group mentoring in a creative and supportive out-of-school learning environment, access to professional technology, project-based learning, and youth leadership opportunities. We provide our members exposure to local tech careers through job shadowing, field trips, and expert-led workshops; helping youth understand how skills learned at C4K make them qualified for secure careers in STEM fields.

Funds contributed from this event will be used to provide new and expanded virtual reality tools that leverage the interests of our youth to learn and apply emerging technology-based skills.
